

WorldDenver International Visitor Arrival List

Last Updated: March 9, 2017

Below is the list of visitors that will be in Denver in the upcoming months through the International Visitor Leadership Program (IVLP) and other programs. If you would like to host any of these visitors in your home for a WorldDinner (hosting them for dinner one evening), or meet with them on a professional basis, please send an e-mail to WorldDenver at WorldDinners@WorldDenver.org. Please indicate the dates you are available, how many guests you would like to host, and if you have a special reason for being interested in a particular group.

Please Note:

- Dinner hosting priority is given to WorldDenver members. When more members sign up than needed, preference will be given to members who have not hosted recently. While we are not able to guarantee availability for WorldDinners, please contact us if you are interested in hosting any of the listed groups.
- Final program schedules for IVLP groups are due to the Program Agency in Washington D.C. 24 hours before the group arrives in Denver. If you are interested in hosting, please let us know ASAP.
